EWALD BRAUNS.

The Necessity of a Vigorous Can-The Cincinnati Commercial, a pa-

per so conservative and independent that it can scarcely be called Republican, says: The result of the October election therefore, will depend entirely upon the character of the canvass. If it is hotly pushed, and the people ar

thoroughly waked up to its importance, Governor Hayes will be reelected by a far heavier majority than he had two years ago. If it is not conducted with energy, and the people fairly fall asleep over it Pendleton's chances of success will be number one; for, come what may, the Democracy will poll their full vote for him. The Democratic editors who are clamoring for a FOR IMITATING BLACK WALNUT They'll squirt on your fingers, your clothes, or your face.

For like men who chew it, they'll splt any place.

This statement might leave involved in a lurch.

Inc'ersaw them squirting their juice in the church;

An if while in church they dispense with its use.

It does the work better than the word itself, and is so cheap, that all can now all itself, and is so cheap, that all can now use, to the polls unless questions of exmined.

The best service the Democratic State Central Committee could have the seemed quite attentive sincere, and devous.

done the Republicans was to put Mr.

Pendleton on the ticket. His name
And he never once took his tobacco box out. past ten years. His nomination is accepted by the Republicans as an quently do.

Ite looked so agreeable, solemn, and quaint, That his debut resemble a dignified saint;
And we thought as we guard at the sage which it proposed to itself under the specimen of Graining in the county, work which it proposed to itself under the lead of Rosecra s. It is a chal lenge to again try the issues upon which the State has been canvassed time and again; for neither the April 26, 1866.—1 f. time and again; for neither the party nor Mr. Pendleton can ignore While men who sat near him were squirting his antecedents, and perhaps do not desire to. He has never recanted HAIR VIGOR. -never changed. What he believed and expressed in 1861, in 1863, in 1865, he believes, and write occasion would express, now. His election would be taken as a vindication of his course and that of his party during the war. Certainly the effort will be made to show that the canvass is upon issues that have arisen since the war exclusively, and his friends would be glad to confine the discussion within such limits. But the links in the political chain which Mr. Pendleton has forged are unbroken, and one involves all. His election as Governor or Presi dent would be regarded as a tri umph of the Den ocratic policy for the past ten years, and as a recantation by the people of the wisdom and patriotism of their own cause. In this sense the canyass in Onio this year assumes more than local parations dangerous and injurious to the significance. It is necessary to hair, the Vigor can only benefit but not harm it. If wanted merely for a it must take a new departure in Mr. Pendleton's record during the a grateful perfume. war is as much a part of the present Prepared by Dr. J C. MAXWELL & BEERY.

A Liberal Proposition

Cough. Bronchitis. Asthma, and Consumption.
Probably never before in the whole histor, of medicine, has anything won so widely and so coeyly upon the canfidence of manking, as this excellen remedy for rulminary co. plaints. Through a long series of veries and among cat of the race set men it has risen higher and higher in their stamation, as it has become better known its nuiform character and new. coids and coughs, all should be provided with this antidote for them.

with this antidote for them.
Although settled Consumption in though theurable, still great numbers of cases, here the disease seemed settled, have seen completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its master, over the disoniers of the lungs and throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and Put-lie Speakers find great protection from it
Asthma is always relieved and often visibly cured by it. Bronchitts is generally cured by taking the Cherry Pectoral manuall and frequent

so generally are its virtues known that here or lo more than assure the public that its qualities are tally maintained.

for Fever and Ague, Intermittent Fever. Chill Fever. Bemittent Fever. Dumb Ague, Periodical or Bilions Fever, &c., and indeed all the affections which arise from malarious, marsh or

prominence. But it clearly excels in all of them.

This is the Machane which has created such a sensation in threshing machine circles during the past two years. Furmers who have grain to be threshed give it a slecided preference on account of its grain saving qualities! Threshermen are giving in their allegiance as tast as they can sell their old unachines so as to buy this—talking up their old ones till they get rid of them, only for that purpose). Manufacturers of them, only for that purpose). Manufacturers of and Agents for the old kinds have banded together, forgetting their quarrels and striking hands, in a vain endeavor to stay the side of popular favor! Meanwhile the demand is such that those who want that improved Thresher unter order ERELY. miasmatic poisons. As us name implies, it does Cure, and do s not fail. Containing neither Arsenie, Quinine, Bi muth, Zine, nor any other Quinine, Bi muth, Zine, nor any other mi ere ler poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history (121) medicine Our pride is gratified by the act nowledgments we receive of the radical cures affected in obstinate cases, and where other remains had whelly fail. Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs. such as Coughs, Colds, Whooping Cough. Bronchitis. Asthma,

ter known Its uniform character and pow-er to cure the various affections of the lungs and threat, have made it shows as a reliale protector against them. While adapted o milder forms of discress and to soung chiler n. it is a the same time the most efficient in the same time the most efficient in medical remains in the case from the most efficient in the case in particular that the dangerous attentions of the throat and lungs. As a provision against sudden attacks of Croup it should be expt on hand in every amily should be ept on hand in even amily and indeed as all are sometimes subject to

The great advantage of the method employed to separate the grain from the straw in this machine is unmistakeable. It is reputed to save enough on an average over other kinds of machines, to pay the farmers' thre-bing bill, and Parts Dispensed With.-It has no Beaters; no Pickers; no Canvas Grain Carrier; no Raddies; and only about half as many Belte, Gear Wheels, Boxes, Journals, Shafta, Pulleys, etc., to "clog," wind," wear out, wa-te grain, add to draft or to be kept in mirair as other kinds,
